10 a.m. - 12 p.m.  
Open House  
for Businesses

6 - 8 p.m.  
Open House  
for Residents

This will be a great opportunity to learn more about the project and to get your questions answered by project representatives.

## Major Construction Scheduled to Begin May 2

The Colorado Department of Transportation's (CDOT) selected contractor, Kraemer North America, will begin construction on the I-25 and Arapahoe Road Interchange Reconstruction Project on May 2, 2016. This project consists of replacing the I-25 bridge over Arapahoe Road and other interchange improvements designed to reduce congestion and improve traffic operations and safety.

This \$66 million Responsible Acceleration of Maintenance (RAMP) Project includes building an additional lane along westbound Arapahoe Road from Yosemite Street to Greenwood Plaza Boulevard, providing three left turn lanes from the I-25 off-ramps, realigning the frontage road in the northeast quadrant of the interchange, building noise walls near the Arapahoe Road and Yosemite Street intersection and widening Yosemite Street to the north and south of Arapahoe Road. Work is expected to be substantially complete by the summer of 2018.
